To Whom It May Concern

This is to certify that Avyukth Potnuru, a student of Presidency University Bengaluru, has been working as a Research Associate in my lab at Mechanical Engineering, Indian Institute of Technology Kanpur, from 27/01/2025 to 27/06/2025.

As the work assigned involves research, the program code or associated research material cannot be disclosed or shared outside the institute. I certify that the student has been actively engaged in the research work and has contributed meaningfully.

Thank you,

C. Chandraprakash
Associate Professor
